

Action against Racism Charter

*"Inclusive words
and actions are all
of our business."*

"We will recognise our privilege and do better with our voice."

- Words matter - we will be careful with our words.
- We will understand that racism can cause mental distress & trauma and we will treat individuals sensitively.

- We will hear the voice and seek to understand.

"We will understand that racism is individualised."

- We all have a responsibility to make a change.
- We will seek to understand the map of the world.

- We will see beyond and look beyond the colour.

*"There should be
no-one left behind
in the privilege
walk."*
